ABOUT

Bart Boelen is Certified Practising Portfolio Executive and Master Project Director. He is a highly skilled leader of project teams with extensive Government management experience including service as Manager of Major Projects & Planning at the Tourism Commission and Manager of Major Projects at the Department of Housing & Works. Bart was also Senior Policy Adviser to the Minister for Tourism.

EXPERTISE

Leadership & Strategic Direction

Bart has been engaged at both Georgiou and MacroPlan to review existing operational business units and advise on their future structure. He is a highly skilled leader of project teams with extensive Government management experience.

Project Planning & Management

Bart has provided advice on major projects delivery, project leadership, probity advice/audit, corporate governance, team building, company directorship, project planning, relationship management, government business, tourism development and Gateway Reviews.

Project Leadership Team Building

Originally trained as a Group Worker/Counsellor at the Institute of Human Development, Bart has built teams and delivered projects on major government projects such as the Perth Convention Exhibition Centre and on smaller private land developments such as Eliza Ponds in Spearwood. On PCEC Bart led 6 teams incorporating 76 people over 3 years and over 150 meetings to procure the dedicated convention centre for WA.

Change Management

Bart was engaged at MacroPlan to restructure a national business to better reflect the business units and to enable the raising of capital. At Georgiou, Bart was engaged to review the operations of Westcape Project Management at Georgiou and to advise on the viability and suitability of the business.
